## WHO **WE ARE** & WHAT **WE DO?**

Established in 2010, Empower Trading Contracting & A/c Maintenance is a recognized and reputed organization in the field of HVAC in Qatar for the past one decade.

Today, we are one of the fastest growing companies dealing in Contracting, A/C equipment and maintenance. One of our major expertise concurs with advanced Airconditioning and Mechanical Ventilation systems.

With a decade of industry experience, we have become a trustworthy partner to both our residential and commercial clients. Our team of engineers and technicians are committed to providing superior quality products and exceptional service tailored to meet the specific needs of every customer. By keeping up with the latest industry trends and innovations, we ensure that our clients receive innovative and energy-efficient solutions. We, at Empower, strive to create comfortable and sustainable environments, prioritize customer satisfaction, and build lasting relationships.

## OUR MISSION & VISION

Our mission is to provide our customers with quality HVAC products and services while ensuring their utmost satisfaction. We strive to offer innovative and energy efficient solutions that serve our clients' specific needs and budget. Through our expert team of professionals, we aim to deliver exceptional customer service, quick response, and cost-effective solutions.

With a commitment to excel and to endure a long-term relationship, we strive to be the preferred choice in the HVAC industry for our customers.

We employ honesty, transparency, integrity, and by maintaining strict ethical standards in all aspects of our business, fostering trust with our clients, suppliers, and partners.
